Outside General Counsel Services

The Law Office of G. Benjamin Lindsey III (“GBL3 Law”) believes that proactive legal representation can be critical to the long-term success of a business. Many businesses do not have the staffing or financial capacity to employ an attorney on a full time basis. As a result, many businesses fail to obtain legal counsel until they have made a business decision that forces them into litigation. In many cases, proactive legal counsel may have reduced the risk of litigation and saved money.

GBL3 Law offers outside general counsel services for a fixed monthly fee. Agreements are available on a six-month or twelve-month contract. These contracts offer savings on the hourly rates for providing counsel based on the area of need (e.g., general business matters, employment/labor issues, or construction law.) The normal hourly billing rates for these matters varies from \$265-\$300 per hour.

Additional benefits of a twelve-month agreement for general counsel services include deeper price discounts and longer roll-over periods. Terms and conditions are set forth in an Engagement Agreement, which must be signed by both parties before any attorney-client relationship will commence.

	6-month Agreement	12-Month Agreement
Level I	\$500 per month –two hours of attorney time per month. Unused hours may be rolled over for 1 month.	Not Available
Level II	\$1,300 per month – 6 hours of attorney time. 1 month roll over of unused hours.	Same as 6-month contract but hours can be rolled over for a three month period.
Level III	\$2,756 per month -13 hours of attorney time. 1 month roll over of unused hours.	Same as 6-month contract but hours can be rolled over for a three month period.

Attorney time can be used for general legal advice, meetings, and transactional work such as contract reviews. **(excludes litigation)** In the event that additional attorney time is required in excess of the hours in the plan, Level I and Level II clients will receive a 10% discount off the applicable hourly rate during the term of their contract. Level III clients will receive a 20% discount off the applicable hourly rate during the term of their contract.
